

Education Seminar/Teacher's Training Coordinator

Position Description:

Coordinate and facilitate educational seminars that will develop and increase the congregation's knowledge and application of God's word. The coordinator will work closely with the Education Committee, evangelist, Education deacons, and other deacons as needed.

An equally important duty will be to increase the number of qualified teachers through training programs.

Qualifications:

- Christian adult
- Strong Biblical foundation and the ability to rightly divide the Word of God
- Strong organizational, communication and listening skills
- Kind heart
- Ability to motivate the brethren
- Ability to work with people

Responsibilities:

- Plan and coordinate education seminars/teacher's training program.
- Stay abreast of educational seminars/teacher's training programs that are currently available within the brotherhood and bring these seminars/teacher's training to the attention of the Education deacons and the Education Committee.
