

Youth Program - Encourager

Position Description:

Provide encouragement to youth through a kind word, phone call, text message, e-mail, or a card. Often times, one of the most important things to kids who are learning new skills is a word of encouragement. Just knowing that someone noticed a good deed or “job well done” might be enough to keep them motivated to continue trying to do God’s will, in the face of adversity.

Qualifications:

- A desire to encourage others
- Kind heart

Responsibilities:

- Take time to watch the kids in various situations and make positive verbal or written comments to them about their faith or how they are serving the Lord.
- Become familiar with the Youth Group Strategies and encourage children you see behaving in a manner consistent with those strategies. The four strategies are:
 - Love for God
 - Love for family
 - Love for the brethren
 - Love for those in the world
