### Senior YG Youth/Parent Planning Meeting Follow-Up!!!

Thanks to all those youth and parents that attended the planning meeting we held on Sunday, February 14th! For those that

couldn't attend we hope you make it next time. We will be having these meetings every 5th Sunday so mark your calendars today. We have the charts we went over available at <http://tinyurl.com/SeniorYG-Meetings> so check it out! Also we handed out a Parent Survey which is also posted there, please fill those out and provide as soon as you can! We presented several opportunities for those interested to help with the youth group, check out the youth bulletin board to see where we still have needs and sign-up! It is our hope that these meetings are productive and work to keep us in sync.

### LOCK-IN Planned for March 5th!!!

We are having a Senior YG Lock-In from 9pm - 7am at the Church building this Friday night! We ask that the youth bring:

### Senior Banquet Planning Meeting for Jr. Youth/Parents

Our senior banquet is planned for May 7th and is quickly arriving! Junior parents/youth should plan to meet quickly for a planning meeting after Wed (3/10) night services to kick this off!!!

### Carthage Service Project March 14th!!!!

On Sunday, March 14th, the Senior YG will be traveling to the Carthage Church of Christ and worshipping with them Sunday morning. After the morning services we will eat with the members there and then lead their 2pm service. There will be a sign-up on the bulletin board soon for those that want to attend. If you want to help lead the

service then let Brian know what you want to do as soon as possible! This will be a great credit opportunity for those in L2L as well!!! This will also be a good way to develop and show our spiritual leadership. I hope you are looking forward to this opportunity to serve!!!! Thanks to Randy for making this possible!

### Senior Youth of the Month!

**Stanley Mitchell** for his willingness to serve. After the youth/parent planning meeting he came up and told me that he was willing to help anytime if

anyone needed chore or moving help. I have called up Stanley in the past and without hesitation he will do whatever is needed for those in need. He also helped out a lot in the Parent's Night Out service project. Stanley is just plain the man and he is always trying to do what's right! He has an infectious laugh and his laid back attitude has often helped mellow the group when needed. For all this we want to recognize you!!!!

## “Parent’s Night Out” Service Project Success!!

Thanks to the youth and parents that participated in the Parent’s Night Out we had on Valentine’s day weekend. We had 21 kids attend and we all had a good time. Received a lot of great feedback that parents were able to get out on a date for the first time in years!!

## Spiritual Thoughts from Bethany

As Americans, I believe it’s hard to recognize and realize how much we actually have. Many in other countries look at us and think, wow, they must believe and really trust in God, when really its amazing to see them have more faith than us. We all have been blessed so much and I feel like no one really realizes it and we all take it for granted. I am totally guilty of that. Our minds have been programmed by commercial

and celebrities to look at what we don't have. Yes, you might not have the latest whatever but what do you have? Now I’m not talking about material items even though whether you like to face the truth or not, we have plenty of those! What has God blessed you with? A good life? Wonderful friends? A great family? Take into consideration next time complaints start to flow out of your mouth, what you really have. God has and will continue to take care of you. Give thanks. I challenge yall to take a day, no cell phones, iPods, computers and spend the day with your mom, dad or any good friends. Spend it outside and actually talk to them, appreciate them, and get to know them a little better. Really look around and admire what God has created. And in your day spend some time for just you and The Almighty. Read his Word, pray and give thanks for all that He has given you!!!

## GUESS WHO!? Last Month: DuJuan Chambers

I am 15 years old and in the 9<sup>th</sup> grade. I was born in Ft. Worth, Texas and have lived in Tennessee and North Carolina. My hobbies are reading, drawing, and I love being around all types of animals. When I get older, I would like to go to college and study to be an exotic veterinarian specializing in big cats. After college, I hope to travel to Africa and work closer with lions, cheetahs, and leopards.
